

Healthy Families at Children's Trust

A Happy Childhood Begins At Home!

Having a baby can be exciting and overwhelming. Whether you are a first-time or a repeat parent, we want to make you feel comfortable and help you do a good job as a mother or father. We will visit your home and spend time talking, sharing and supporting you to become the best parent you can be.

As a parent you want what is best for your new baby. Your Healthy Families home visitor can answer questions, calm fears, connect you to resources, or just listen.

If you are interested in more information about Healthy Families, please fill out the following questions and return this flyer to your care provider.
